

Smart Alert™ Nightlight

Smoke detectors can't tell you what's happening while you're away.
That's why we created the Leeo Smart Alert™ Nightlight.

Key Details:

- Simple, plug-in alarm monitoring
- Connects you to the smoke and carbon monoxide alarms you already have and alerts you via smartphone if they sound
- Calls friends and family on your backup contact list if you're unable to answer
- Tracks temperature and humidity levels in any room
- Comes with millions of light color options
